Leadership Alignment

Roger Corbett AO is one of Australia's most successful business leaders. Until recently Roger served as CEO of Woolworths. He is now a director of Wal-Mart Stores, Inc. and the Reserve Bank of Australia, Chairman of Fairfax Media and PrimeAg Australia Ltd. He is married to Rosemary, a former teacher and they have two daughters, Sarah and Amanda and a son, Robert.

We have great pleasure in inviting you to a lunch with Roger where he will speak on key qualities of leadership, aligning faith and business and handling conflicts between commercial pressures and Christian values.

Come along and be inspired by Roger's story... from the loading dock at Grace Bros to the Board of Wal-Mart, the world's largest retailer.

In a recent interview with Steve Dow, Roger stated: "One of the great tenets of life for me is to 'Do unto others as you would have them do unto you'. I'm happy to say I'm a follower of Jesus Christ; have been all my life. I'm a regular churchgoer, practically every week. It means faith, assurance, direction, and a fundamental underwriting of what I think the word integrity means."
